NITIE CELEBRATES GOLDEN JUBILEE (1963-2013)

Background

Today 2500+ top notch industrial engineers, 2000+ industrial manager and 1000+ industrial safety & environment and Information technology management professional are rendering yeomen services in various sectors of industries and businesses all over the globe. This has been possible due to the tireless and dedicated efforts of National Institute of Industrial Engineering (NITIE), a pioneering academic institute of higher learning established in 1963 in the financial capital of India, Mumbai. Since then NITIE has travelled a long way in its endeavor to reach excellence in various aspects of Industrial Engineering. Today NITIE is the first choice for organizations to seek solutions for problems in all the areas like Industrial Engineering, Operations Management, Environment management and Information technology applications management, primarily covering the Man machine interface and enhancing the productivity and contribute towards the organizational development be it private, public, government and society at large.

Over the last 50 years, NITIE has served a wide range of clients and some of esteemed clientele in Engineering Industry sector include LARSEN & TOUBRO, CROMPTON GREAVES, BEL, TRANSFORMERS and ELECTRICALS LTD. and many others, clientele from Oil & gas sector include;BPCL, HPCL, IOCL, ONGC, RPL, ESSAR, HALDIA PETROCHEMICALSaldia Petrochemicals, MRPL etc. Clients in the Automobile and its Ancillary include - Tata Motors, Bajaj, TVS motors, HERO, Maruti Suzuki, M&M etc., Large Public Sector undertakings such as Air India, Bharat Electronics Ltd, NTPC, Dredging Corporation of India Ltd., etc. Our alumni have scaled heights in global and national organizations.

NITIE has been engaged in applied research for solving problems related to India Industry. In this process has produced a good number of Doctorates who are torch bearers of the discipline of Industrial engineering in academia as well as the corporate sector.
NITIE has ambitious plan to upgrade and expand its infrastructural facilities so that the expertise within can be of use to a larger section of the student population as well as Industry. The day is not far when NITIE will be counted amongst the top academic institutes in the field of Industrial Engineering & Manufacturing Management. The focus is on achieving its vision “To be a leader in the knowledge led productivity movement”

To commemorate 50 years of glorious existence, NITIE plans to organize a series of events over the next two years. As major milestone in the Institute Journey a new logo to commemorate the event has been designed.

To begin with the celebrations a formal inauguration of the Golden jubilee celebrations will be held during the period Oct 18th 2013 to 25th Oct 2013. The highlights of the various events planned during the next two years are as given in the following links;

**Inaugural Function on 22nd October, 2013(Tuesday)**

**Golden Jubilee Year Special issue of UdyogPragati (October 2013)**

**Golden Jubilee Alumni Meet on 16th November, 2013 (Saturday)**

**Industry Institute interaction – Two Day Meet [December 2013]**

**Round Table Conference [February 2014]**

**Institute Day Celebration [April 2014]**

**Socially relevant projects [June 2014]**

**National Conference on Industrial Engineering and Technology Management Interface[October 2014]**

**International Conference on “Operational Excellence in Manufacturing” [December 2014]**

**Project Management - Academic Conference [February 2015]**
Inaugural Function on 22\textsuperscript{nd} October, 2013(Tuesday)

To commemorate completion of 50 years of establishment of NITIE, various events for Golden Jubilee celebrations will be organized spread over a period of 2 years i.e. from 2013 to 2015.

As a part of Golden Jubilee Celebrations, inaugural function is planned on 22\textsuperscript{nd} October, 2013(Tuesday) at NITIE Campus. Following is the schedule of various events:

1) Inaugural Function
2) Inauguration of Academic and Library Building
3) Inauguration of new Hostel Building
4) Laying the Foundation Stone for new Student’s Activity Centre
5) Laying of foundation Stone for Type V & Type VI Residential Building
6) Panel Discussion and/or Talks by eminent personalities from Academia, Industry and Government on the topic \textit{“Road Map for Developing Manufacturing Competitiveness by 2025”}
7) Campus visit
8) Cultural Programme

Students Activities: 18\textsuperscript{th} to 25\textsuperscript{th} October, 2013 - AVARTAN

Various students events are planned during Students Activities Week from 19\textsuperscript{th} to 25\textsuperscript{th} October, 2013. Following are tentative schedule of major events:

1) “JOSH” - Sports Competition amongst students of various institutes from 19\textsuperscript{th} to 21\textsuperscript{st} October, 2013.
2) “AAROHAN” – Cultural events competition amongst students of various institutes from 18\textsuperscript{th} to 21\textsuperscript{st} October 2013
3) Lakshya, Prerana, Envision, Litmus and other related events during 22\textsuperscript{nd} to 25\textsuperscript{th} October, 2013.
Golden Jubilee Year Special issue of UdyogPragati
(To be released on 18.10.2013)

Special Issues of UDYOG PRAGATI with articles from seminal thinkers focusing on the theme of Technological Innovation papers are invited.

A Round Table Conference on the theme ‘Technology Innovation’ will be held on February 2014. Academicians and practitioners are invited to send their submissions.

A Paper Competition for young researchers and young practicing Managers – Below the age of 35 years is also proposed. The Papers should be accompanied by a self certificate that the author is below the age of 35 years. Possible areas that fall under the purview of this theme could be:

- Globalization of Technology innovation
- Intellectual property rights and innovation
- Technology Innovation Policy in India
- Policy initiatives to build a climate of innovation
- Resource Efficiency: The Sixth Wave of Innovation
- Intrapreneurship and Technology Innovation
- Human Side of Technological Innovation
- Sparking Creativity in Teams
- Barriers to technological Innovation
- Capabilities for managing technology innovation
- Grass root innovation- Jugaad in India
- Resource Efficiency: The Sixth Wave of Innovation
- Knowledge management
- Technology Innovation in Various sectors:
  - Innovation and health care
  - Innovation and supply chain
  - Innovation in Manufacturing
  - Innovation in marketing etc
- Institutional frameworks/innovation systems to support learning/innovation in:
  Alternative energy sources, public transport, pollution/environment
  Healthcare and disease control,
- The Future of Innovation Management
Golden Jubilee Alumni Meet on 16th November, 2013 (Saturday)

As a part of Golden Jubilee celebrations, a Grand Alumni Meet is planned to recognize the contribution and role played by its alumni in building the institute on 16th November, 2013 (Saturday). Views of alumni will be taken on the future road map of the institute.

Following is the tentative schedule of various events:

1) CEO’s Conclave (Panel Discussion)
   Topic: How Manufacturing can drive Economic Growth: Issues and Challenges

2) Felicitation function
   a) Distinguished Alumnus Awards
   b) 40 years completion (PGDIE-1 batch) (1971-73)
   c) Silver Jubilee Batch-PGDIE-17 batch (1987-88)
   d) 10 years completion (Completion Year-2003)
      PGDIE-18th to 31st batches: completion year 1989-2003,
      PGDIM-1st to 8th batches: completion year 1996 to 2003:
      PGDISEM 1st batch: completion year 2003
      Fellow: completion year 2003
      MDP: completion year 2003

3) Interaction Session of Alumni with students

4) Cultural Programme
Two day Industry Institute interaction meet

in association with POMS (USA)
23rd & 24th December 2013

THEME:

“Innovation and Management of Technology – Key driver for growth and competitiveness”

The Industry Institute Interaction Meet is targeted towards enhancing the competitiveness of the Small and Medium Enterprises in the Manufacturing Sector. The attempt is to foster entrepreneurial & collaborative applied research activities amongst the participating organizations from the Academia, Industry and Experts from POM.

Each Session will have One Key note speaker followed by 4 presentations of the participating delegates which will followed by discussions, giving opportunities to raise questions on the topic, integrating the perspectives and evolving an agenda for collaborative activities.

Each parallel session will be sector specific. A representative of one of the participating organization will moderate the discussions.
Round Table Conference [February 2014]

Round table conference is planned during February 2014.

Details of the event to be made available soon

Institute Day Celebration (April 2014)

Institute Day Celebrations are planned on 15th April 2014.

Details of the event to be made available soon

National Conference on Industrial Engineering and Technology Management Interface (Oct 2014)

The Theme for the 3 day National Conference is

'Challenges and Opportunities for IE in Emerging Economics’

The Conference will be from 29th Oct 2014 to 31st Oct 2014 and one day will be Doctoral Consortium.

The details of the conference will be made available soon.

Socially relevant projects (Tentatively - June 2014)

Details to be made available soon....

International Conference on “Operational Excellence in Manufacturing” with POMS (December 2014)

Details to be made available soon....

PM Academic Conference (Feb 2015)

Three day Conference in the area of Project Management is planned during February, 13th - 15th February 2015 in association with PMI at NITIE.

Details to be made available soon...
