## *Invitation*

Dear Colleagues,

We are glad to inform you that ASSP India Chapter in collaboration with Dept of Environmental Engineering & Management, NITIE, Mumbai and ICOH Scientific Committees in the Construction Industry as well as Rural Health : Agriculture, Pesticides and Organic Dusts have come together to deliver a Professional Development Conference during April 28-29, 2020 at NITIE, Powai, Mumbai.

With the advancement of technology and increasingly higher accessibility and affordability of the same to the common people, time has come to integrate new technologies with overall work processes and reap the benefits through a safer, healthier workplace and sustainable environment for global citizens.

With seven sub-themes of the PDC, i.e, Vision Zero, Digital Technology, Mental Health, Sustainability, Construction Sector, SME & Informal Sectors and Rural Health, this conference is expected to bring together experts from various fields thereby creating huge opportunity for mutual learning sharing of thoughts and networking.

On behalf of the Organizing Committee, we invite you to participate in this conference and exchange ideas and experiences through various interactive platforms, including technical sessions and networking opportunities.

We look forward to welcome you at NITIE Mumbai in April 2020.
