

NATIONAL INSTITUTE OF INDUSTRIAL ENGINEERING (NITIE) Mumbai

(An autonomous institute under the Ministry of HRD, Govt. of India,

Vihar Lake Road, Powai, Mumbai 40087)

Website: www.nitie.edu or www.nitie.ac.in

National Institute of Industrial Engineering (NITIE) was founded in 1963 as a collaborative effort between the Government of India and the International Labour Organization. NITIE prepares students for a seamless induction into industry and academia by blending management principles and technical skills. NITIE has been providing solutions to the complex problems of industries. Currently, NITIE offers 5 Postgraduate programmes, Fellow programme, One year Executive programs, Management Development programs (both open and company specific programs) and take up sponsored research project & Consultancy services. Further details are available at www.nitie.edu or www.nitie.ac.in.

NITIE is equipped with state-of-art computing facilities to compliment classroom pedagogy. In its various department and classrooms NITIE has about 350 computer systems running on Windows 10. All hostel rooms, classrooms and offices are equipped with 24*7 Internet connectivity with 1 GB leased line and 155 MBPS concurrent line. Every classroom and conference room is fitted with LCD projection facilities and LAN. Lectures are typically augmented by multimedia. Hostels and Academic and Library building (ALB) is equipped with wired and WIFI network facility.

NITIE computer center manages and facilitates wired and WIFI facilities in the campus which includes office buildings, classrooms, hostels and residential area. Computer center is engaged in developing web based applications for the institute and institute website management.
